
WHAT HAS **CHANGED...**

SINCE THE CORONA OUTBREAK IN S.A.

HUMAN INTERACATION.

- **People urged to stay home, indoors.**
- **No hand shake, hugs and kisses.**
- **No parties, 50 persons gathering is illegal.**
- **Three days to prepare funeral.**
- **Masks compulsory.**

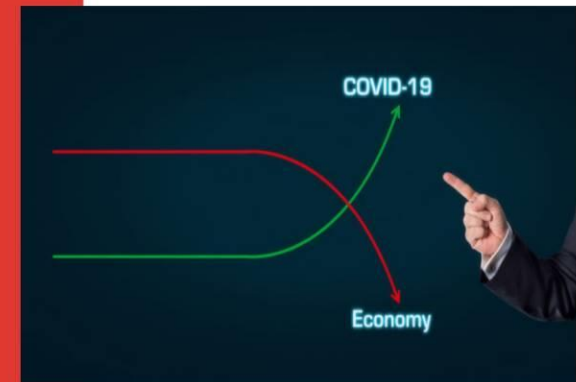

SCREENING AND TESTING.

- Most opened businesses do compulsory screening.
- Testing are done to anyone with symptoms, not compulsory but encouraged.

SA ECONOMY

- **POOR economy leads to poor country.**
- **Poor country leads to unemployment.**
- **Many businesses were stopped from operating.**
- **No imports and exports.**

LAW & ORDER

- **Police were deployed to keep order.**
- **National army too.**
- **Failure to comply, arrests were made.**

EDUCATION

- **Schools were forced to closed, 18 March.**
- **curriculum left hanging, new measures to do online learning.**
- **Date to resume schools will be announced.**

TRANSPORT REGULATIONS

- All transpotations were stopped.
Flights, ships, train, busses, taxi...
- Only local transport for essential workers operated, but on certain time frames only.
- Easing of some regulations were eased as time goes.

SOCIAL MEDIA IMPACT & USAGE

- **At first FAKE news dominated as everyone relied on socials for news.**
- **More time spent on socials, big business for those companies.**
- **But other use it for educational purposes.**

UNEMPLOYMENT.

- With SA already had problems, this caused more problem.
- Companies loose money, then release workers
- Relief funds plan in progress.
